

"I was very impressed with the teachers – they were friendly and excellent with pupils. The school has excellent values. I'm very pleased with how quickly my daughter has settled in. All the staff seem excellent and Mrs Seddon is an excellent headteacher – visible to the pupils and positive about the school community and the contribution of all pupils."

"We have already had two of our children come to Our Lady's. This school offered the best additional support for our son, each child is valued for their individuality."

"We chose this school because we believe in the ethos the school teaches the children and feel they help the children to develop into lovely young adults."

"When my grand-daughter came to see the school she felt comfortable and so did I."

"Because it feels like a family. I know my children are valued and their talents are nurtured and celebrated. Plus the staff are amazing!"

"I researched all local schools and this school was the best."

"Because it's a faith school AND more importantly it carries out those values. Very welcoming school and very inclusive."

"It was her choice – size, pastoral care, atmosphere, positive attitudes, spiritual values, the school motto."

"Due to its excellent facilities and the general feeling we got from the school."

"Because I believe Mrs Seddon is the best person to run this school and I know my child will become the best she can be following her and her team of amazing staff. My daughter is a completely different child since coming

"I chose this school because I believe they do their best
