

Our Lady's Catholic College

Learn, live, love together in a caring Catholic community

11th June 2021

Dear Parent/Carer,

A member of our catering staff has tested positive for COVID-19 which unfortunately means that the catering team will need to self-isolate until 20th June. This will therefore cause disruption to the food service for today and next week.

We are putting sandwich bags (which include a cookie and drink) together for students who have ordered lunch today but there will be no hot meals, hot sandwiches, sausage rolls etc., there will only be cold sandwiches available. Students who have pre-ordered a cold sandwich may not necessarily get what they chose as we are unable to manage the pre-order system at this time.

For next week - the catering service are ordering pre-made sandwiches and a member of their staff will come in and put sandwich bags together but this is **for free school meal children only**. There will be no pre-order system available for these, students will just need to select a grab bag at lunchtime. **If your child is not free school meals they must bring in a packed lunch**, there will be no lunches available for students who are not FSM. We apologise for any inconvenience this may cause but there is no other option due to the limitations we are dealing with.

If you have pre-ordered and paid for lunches for next week already please email k.walker@olcc.lancs.sch.uk and we can arrange for this to be refunded back to your SwiftPay account.

Normal service will resume from Monday 21st June.

Many thanks for your support.

Yours faithfully

A handwritten signature in black ink that reads 'K Walker'.
