

English Language Revision Tasks

Component 1 English Language

Make revision cards for the 4 question stems (list, Impression, how, evaluate) and what you need to include in each question style, how long you need to spend on each question and how many points you need to cover.

Revise the writer's tool box (writer's craft) for the 'how' questions.

Plan and write a range of different stories from the titles given to you by your class teacher.

Complete the tasks in your EDUQAS English Language work book provided by the school.

Component 2 English Language

Make revision cards for 5 question stems (list, Impression, how, evaluate, comparison) and what you need to include in each question style, how long you need to spend on each question and how many points you need to cover.

Revise the writer's tool box (writer's craft) for the 'how' questions.

Plan and write a range of different transactional writing tasks given to you by your class teacher.

Revise the layout of each task (formal letter, informal letter, report, article, speech, review, and guide) by making a revision card for each format.

Complete the tasks in your EDUQAS English Language work book provided by the school.
